LALIZAS Lifejacket 100N, ISO, Fluo Orange

Approved to the latest European standard for 100N Lifejackets, ISO 12402-4:2020

- All of its raw materials are tested per ISO 12402-7 and ISO 12402-8 for higher strength, quality and durability
- Designed for people who may have to wait for rescue, but are likely to do so in sheltered water
- Specifically designed to turn the unconscious user on a face-up position on time and to offer support for the head
- A large flotation collar supports the user's head keeping it out of water
- It has a crotch strap for keeping the vest securely in place when in the water
- It has one waist webbing fastener, LALIZAS Whistle (70010), plastic zipper and SOLAS Retroreflective Tapes (70180)
- With hem-tightening drawstring for better fit
- Two main options, suitable for children and adults
- New size available for individuals weighing over 120 kg (75208)

Code	Type	Min. Buoyancy (N)	Body Weight (kg)	Chest Size (cm)
75203	Child	≥50	30-40	70-80
